Churchmouse Software

By Parish Systems, Inc.

Introducing Churchmouse Software, designed from the ground up for Catholic Parishes: Churchmouse is a powerful relational database tool designed to collect parish census information. Churchmouse improves the process of measuring and coordinating resources, recording, analyzing and tracking member pledges/ contributions, and orchestrating time and talent driven events. Deploying Churchmouse Software can actually helps draw your community closer together.

Multiple Modules, seamless Integration, Y2K Compliant:

- **Churchmouse Families**, a database of family information and sacramental records
- **Churchmouse Offering**, for tracking monetary contributions
- **Churchmouse Pledge Workflow**, for managing fundraisers
- **Churchmouse Time and Talent Scheduler,** for management of lay ministries
- **World Wide Web Publisher**, data reports from these modules can be published to the web in a dynamic, real time fashion. The web features include ***weekly bulletin updates***, ***ministry schedule updates***, ***pastoral staff page***, a bible gateway, a daily inspirational readings, and a weekly calendar of events.

Microsoft Windows Design, Business Management Breakthrough: We empower you with the tools to manage your office better through integration. The Churchmouse Microsoft Windows software modules integrate with Microsoft office product suite, and all other Microsoft compliant products (i.e. Quickbooks Pro 99, etc.) Our simple wizard lets you pull relevant Churchmouse information directly into Word documents. Write your own mail-merged letters, use our templates, or customize a template to your own needs!

Churchmouse Product Suite Subscription: One flat monthly fee covers the multi-user software fees, telephone support, and software upgrades. Additional features include web site hosting and design, email addresses, internet advertising for your advertisers—all published on http://www.ParishesOnline.com, the online U.S. directory of parishes.

When we set out to create the *V-Core*™ wick candle, our goal was to give you a candle with a wick that doesn't droop – making scorched plastic candle holders a thing of the past. And we did just that.

Finally, a Candle That Goes The Distance and Still Stands Tall

It's true that the perpetually upright *V-Core*™ wick won't ever droop, so it never scorches its fire-retardant plastic container. But then we decided to improve the *V-Core*™ wick candle a little more. And a little more. And still more. The result? A candle that meets all your devotional light needs.

Our *V-Core*™ wick candles will keep your church cleaner, because they're made of fully refined wax, and they use a fraction of the oil of traditional glass candles. They'll also keep your church safe. Encased in fire-retardant plastic that won't support a flame, *V-Core*™ wick candles outperform the competition in high-heat areas and climates. Their light weight saves on shipping charges, and you use *V-Core*™ wick candles in permanent glass containers, instead of throwing the glass out. Oh, and one last thing. They're less expensive than glass lights. The *V-Core*™ wick candle. Going the full distance for you.

FUND-RAISING SUPPLIES

Are you missing out on 20% of your revenue?

Now you can increase your church revenues just by selecting a new offering envelope system: the **Monthly Mailing Program** from AmericanChurch. Every month, members of your congregation will receive their individually addressed offering envelopes, mailed directly to their homes.

And with our Monthly Mailing Program, your church can enjoy a 10% – 20% increase in giving – because members who are gently reminded of their financial pledges tend to give more frequently, and more generously.

Type of Business:

OMNISTAND™ with SMARTLITE™ "one touch" technology offers a simple solution to institutions, churches, and mausoleums whose votive stand and candle assemblies pose problems due to dangerous flames, polluting smoke, and wax spillage.

SMARTLITE S™ "one touch" technology creates a simple way to light votive candles. Lightly press the top and it s lit, with the most realistic electronic flame ever!

The SMARTLITE™ candles represent a safe and clean way to experience the pleasure and ambiance of lit candles without worrying about the danger of flames, the mess that melted wax leaves or pollution and unsightly smoke. The simulated wick radiates a realistic glow of light equivalent to that of flames generated by lit wax candles and oil burning kerosene lanterns. The imitation crystal cover is available in a wide array of colors.

Our patented OMNISTAND™ design hides all switches and wires so there is no visible sign of electricity. The electronic circuitry is state of the art. Snap-in and snap-out circuit boards for each light makes SMARTLITE™ extremely easy to service.

The OMNISTAND™ is a modular system, constructed of real wood, imitation marble, laminated aluminum or painted aluminum extrusions designed to work in a wide variety of applications.

Don't put your faith in other Votive stands. Let GYGNUS, INC. make you into a true believer! See our advertisement on the Index of Display Advertisers Section Divider.

John Fuchs . . . . . Managing Director — Design

Type of Business:
CAPITOL LIGHTING & RESTORATION is a company whose two founders and senior business associates have a history in the lighting industry dating back to the 1950's. It is a company totally dedicated to supplying quality products and delivering them on schedule. Due to the background of its founders, CAPITOL LIGHTING is sensitive to the needs of its clients. Designers need accurate drawings and information on time. Owners and contractors need adherence to schedules with equipment delivered in good condition and in conformance with approved coordination drawings.
CAPITOL LIGHTING & RESTORATION is owned and operated by Brenda Hoyt and John Fuchs. Both bring their own unique talents to the organization making it unrivaled in the lighting industry. CAPITOL LIGHTING's associates include a metal sculptor with a Master of Fine Arts degree; another metal sculptor whose special interest is 19th century gas and oil lighting fixtures and their early conversion to electric usage; two foundry specialists, one for short custom production runs, the other for production runs using the traditional lost wax process. In this process, CAPITOL LIGHTING & RESTORATION is able to offer bronze chandeliers of extraordinary quality. CAPITOL LIGHTING & RESTORATION has also successfully modified existing and antique lighting equipment to make use of newly developed light sources. It has always been a corporate philosophy to restore old fixtures rather than discard them and supply new replacements — it is a philosophy much appreciated by sensitive clients.
In addition to restoring and supplying ornamental lighting equipment, CAPITOL LIGHTING DESIGN has carved a niche for itself in the design of special lighting equipment largely unavailable from other suppliers. Whether it is the design of ornamental exit signs or small accent lights to be installed in very limited spaces — CAPITOL LIGHTING & RESTORATION has always prevailed in the face of difficult design challenges.
It is safe to say that no other ornamental lighting fixture supplier can claim to have this type of expertise at its disposal or within its own corporate structure — it is a fertile environment conducive to the promotion and fulfillment of the design process.

OMNISTAND™ with SMARTLITE™ "one touch" technology offers a simple solution to institutions, churches, and mausoleums whose votive stand and candle assemblies pose problems due to dangerous flames, polluting smoke, and wax spillage.

SMARTLITE S™ "one touch" technology creates a simple way to light votive candles. Lightly press the top and it s lit, with the most realistic electronic flame ever!

The SMARTLITE™ candles represent a safe and clean way to experience the pleasure and ambiance of lit candles without worrying about the danger of flames, the mess that melted wax leaves or pollution and unsightly smoke. The simulated wick radiates a realistic glow of light equivalent to that of flames generated by lit wax candles and oil burning kerosene lanterns. The imitation crystal cover is available in a wide array of colors.

Our patented OMNISTAND™ design hides all switches and wires so there is no visible sign of electricity. The electronic circuitry is state of the art. Snap-in and snap-out circuit boards for each light makes SMARTLITE™ extremely easy to service.

The OMNISTAND™ is a modular system, constructed of real wood, imitation marble, laminated aluminum or painted aluminum extrusions designed to work in a wide variety of applications.

Don't put your faith in other Votive stands. Let GYGNUS, INC. make you into a true believer! See our advertisement on the Index of Display Advertisers Section Divider.

Type of Business:
OMNISTAND™ with SMARTLITE™ "one touch" technology offers a simple solution to institutions, churches, and mausoleums whose votive stand and candle assemblies pose problems due to dangerous flames, polluting smoke, and wax spillage.
SMARTLITE S™ "one touch" technology creates a simple way to light votive candles. Lightly press the top and it s lit, with the most realistic electronic flame ever!
The SMARTLITE™ candles represent a safe and clean way to experience the pleasure and ambiance of lit candles without worrying about the danger of flames, the mess that melted wax leaves or pollution and unsightly smoke. The simulated wick radiates a realistic glow of light equivalent to that of flames generated by lit wax candles and oil burning kerosene lanterns. The imitation crystal cover is available in a wide array of colors.
Our patented OMNISTAND™ design hides all switches and wires so there is no visible sign of electricity. The electronic circuitry is state of the art. Snap-in and snap-out circuit boards for each light makes SMARTLITE™ extremely easy to service.
The OMNISTAND™ is a modular system, constructed of real wood, imitation marble, laminated aluminum or painted aluminum extrusions designed to work in a wide variety of applications.

Don't put your faith in other Votive stands. Let GYGNUS, INC. make you into a true believer! See our advertisement on the Index of Display Advertisers Section Divider.

OMNISTAND™ with SMARTLITE™ "one touch" technology offers a simple solution to institutions, churches, and mausoleums whose votive stand and candle assemblies pose problems due to dangerous flames, polluting smoke, and wax spillage.

SMARTLITE S™ "one touch" technology creates a simple way to light votive candles. Lightly press the top and it s lit, with the most realistic electronic flame ever!

The SMARTLITE™ candles represent a safe and clean way to experience the pleasure and ambiance of lit candles without worrying about the danger of flames, the mess that melted wax leaves or pollution and unsightly smoke. The simulated wick radiates a realistic glow of light equivalent to that of flames generated by lit wax candles and oil burning kerosene lanterns. The imitation crystal cover is available in a wide array of colors.

Our patented OMNISTAND™ design hides all switches and wires so there is no visible sign of electricity. The electronic circuitry is state of the art. Snap-in and snap-out circuit boards for each light makes SMARTLITE™ extremely easy to service.

The OMNISTAND™ is a modular system, constructed of real wood, imitation marble, laminated aluminum or painted aluminum extrusions designed to work in a wide variety of applications.

Don't put your faith in other Votive stands. Let GYGNUS, INC. make you into a true believer! See our advertisement on the Index of Display Advertisers Section Divider.

Guest House, Inc. is a lay-owned, lay-operated nonprofit corporation established in 1956. With the approbation of the Catholic hierachy, it operates special residential treatment centers for alcoholic Catholic priests, deacons, brothers, sisters and seminarians from all over the world.

Catholic women religious are treated in Guest House in Lake Orion, Michigan. The facility in Rochester, Minnesota has treatment programs for priests, deacons, brothers and seminarians.

An important part of the treatment is the beautiful environment of ur facilities. Residents respond to the quiet serenity of the surroundings to help in their recovery not only physically and emotionally, but spiritually as well.

Surveys are conducted regularly to determine how our graduates are doing. The 1997 survey shows that after a year and a half, over 90% report they are doing well and abstaining from all drugs and alcohol.

Generous donors have established an endowment fund to provide financial assistance for any diocese or religious community needing assistance with the costs of treatment. Treatment is provided without regard to financial consideration.

The facilities are accredited by JCAHO (Joint Commission on Accreditation of Healthcare Organizations) and licensed by the Department of Public Health in the states of Michigan and Minnesota respectively.

Guest House also offers educational programs, seminars, and workshops on addition-related topics.

AIR FORCE
Chaplain
SERVICE

THE GLOBAL MISSION EXPERIENCE

The Air Force Chaplain Service is looking for qualified Catholic priests to serve in a cooperative and pluralistic global ministry. This ministry offers a challenging future to the person who wants to serve God on an international level and take the message of Christ to our men and women who serve around the world.

Catholic chaplains serve the needs of Air Force men and women and each assignment is exciting and unique in its own way. Your work area will reach far beyond the chapel walls. The Air Force Chaplain Service gives applicants the opportunity to take the global mission experience to many different locales. If travel is something you've always wanted to experience in your ministry the Air Force may have the program for you.

Qualifications are:

- Ecclesiastical endorsement
- Two years pastoral experience minimum
- United States citizenship
- Bachelor's Degree (120 hours) and a Master of Divinity or equivalent graduate program (90 semester hours) from an accredited institution
- Commissioned prior to age 42, age may vary with prior military service
- Pass a commissioning physical
- Pass a background security investigation

For those who can meet these qualifications, there are many benefits, such as:

- 30 days of vacation with pay each year
- Comprehensive medical and dental care
- Low-cost life insurance
- Excellent pay and allowances
- Promotion opportunities
- A non-contributory retirement plan
- Other educational opportunities (advanced degrees)

For an endorsement to the Air Force Chaplain Service have your bishop or religious superior contact the **Archdiocese for The Military Services, USA, PO Box 4469, Wash DC 20017, 301-853-0400.** For more information, call our Chaplain recruiters at 1-800-803-2452 or commercial 1-210-652-4700 or write:

OMNISTAND™ with SMARTLITE™ "one touch" technology offers a simple solution to institutions, churches, and mausoleums whose votive stand and candle assemblies pose problems due to dangerous flames, polluting smoke, and wax spillage.
SMARTLITE S™ "one touch" technology creates a simple way to light votive candles. Lightly press the top and it s lit, with the most realistic electronic flame ever!
The SMARTLITE™ candles represent a safe and clean way to experience the pleasure and ambiance of lit candles without worrying about the danger of flames, the mess that melted wax leaves or pollution and unsightly smoke. The simulated wick radiates a realistic glow of light equivalent to that of flames generated by lit wax candles and oil burning kerosene lanterns. The imitation crystal cover is available in a wide array of colors.
Our patented OMNISTAND™ design hides all switches and wires so there is no visible sign of electricity. The electronic circuitry is state of the art. Snap-in and snap-out circuit boards for each light makes SMARTLITE™ extremely easy to service.
The OMNISTAND™ is a modular system, constructed of real wood, imitation marble, laminated aluminum or painted aluminum extrusions designed to work in a wide variety of applications.

Don't put your faith in other Votive stands. Let GYGNUS, INC. make you into a true believer! See our advertisement on the Index of Display Advertisers Section Divider.

OMNISTAND WITH SMARTLITE "ONE TOUCH" TECHNOLOGY
Adaptable Votive Stand and Shelf System

CYGNUS, INC.
P.O. Box 566
Paterson, NJ 07504
Tel.: 973-523-0668; FAX: 973-523-0375
email: cygnusinc@worldnet.att.net

Type of Business:

OMNISTAND™ with SMARTLITE™ "one touch" technology offers a simple solution to institutions, churches, and mausoleums whose votive stand and candle assemblies pose problems due to dangerous flames, polluting smoke, and wax spillage.

SMARTLITE S™ "one touch" technology creates a simple way to light votive candles. Lightly press the top and it s lit, with the most realistic electronic flame ever!

The SMARTLITE™ candles represent a safe and clean way to experience the pleasure and ambiance of lit candles without worrying about the danger of flames, the mess that melted wax leaves or pollution and unsightly smoke. The simulated wick radiates a realistic glow of light equivalent to that of flames generated by lit wax candles and oil burning kerosene lanterns. The imitation crystal cover is available in a wide array of colors.

Our patented OMNISTAND™ design hides all switches and wires so there is no visible sign of electricity. The electronic circuitry is state of the art. Snap-in and snap-out circuit boards for each light makes SMARTLITE™ extremely easy to service.

The OMNISTAND™ is a modular system, constructed of real wood, imitation marble, laminated aluminum or painted aluminum extrusions designed to work in a wide variety of applications.

Don't put your faith in other Votive stands. Let GYGNUS, INC. make you into a true believer! See our advertisement on the Index of Display Advertisers Section Divider.

When we set out to create the *V-Core*™ wick candle, our goal was to give you a candle with a wick that doesn't droop – making scorched plastic candle holders a thing of the past. And we did just that.

Finally, a Candle That Goes The Distance and Still Stands Tall

It's true that the perpetually upright *V-Core*™ wick won't ever droop, so it never scorches its fire-retardant plastic container. But then we decided to improve the *V-Core*™ wick candle a little more. And a little more. And still more. The result? A candle that meets all your devotional light needs.

Our *V-Core*™ wick candles will keep your church cleaner, because they're made of fully refined wax, and they use a fraction of the oil of traditional glass candles. They'll also keep your church safe. Encased in fire-retardant plastic that won't support a flame, *V-Core*™ wick candles outperform the competition in high-heat areas and climates. Their light weight saves on shipping charges, and you use *V-Core*™ wick candles in permanent glass containers, instead of throwing the glass out. Oh, and one last thing. They're less expensive than glass lights. The *V-Core*™ wick candle. Going the full distance for you.

Are you missing out on 20% of your revenue?

Now you can increase your church revenues just by selecting a new offering envelope system: the **Monthly Mailing Program** from AmericanChurch. Every month, members of your congregation will receive their individually addressed offering envelopes, mailed directly to their homes.

And with our Monthly Mailing Program, your church can enjoy a 10% – 20% increase in giving – because members who are gently reminded of their financial pledges tend to give more frequently, and more generously.

Type of Business:
Air Force chaplains ensure the free exercise of religion for the globally engaged Air Force community. Catholics make up approximately 30% of the military. Priest chaplains are particularly responsible for the spiritual and the sacramental needs of Catholics in the military setting. Because the Catholic Chaplain lives the same challenging demands of military life, he can truly respond. The Air Force offers the qualified priest many opportunities to serve both the Church and the country in a pluralistic global environment.
Chaplains remain steadfast witnesses of the holy in a changing world environment. Consider the possibility of serving as a priest and an officer in the United States Air Force. For more information, please contact the above office.

Type of Business:
The Knights of Columbus is the world's largest Catholic family fraternal service organization. Father Michael J. McGivney (1852-90), assistant pastor at St. Mary's Church, New Haven, Conn., founded the fraternal benefit society in 1882 with a group of parishioners. The organization was chartered to assist the widows and orphans of decreased members through a life insurance program and instill in members a heightened sense of pride in their Catholic faith. Since then, the Knights has grown into a worldwide organization with more than 1.6 million members and their families. Annually, Knights orderwide raise and contribute more than $100 million and volunteer more than 50 million hours of service to Church and community charities. The Order's insurance program consistently receives top ratings from independent review services.

Guest House, Inc. is a lay-owned, lay-operated nonprofit corporation established in 1956. With the approbation of the Catholic hierarchy, it operates special residential treatment centers for alcoholic Catholic priests, deacons, brothers, sisters and seminarians from all over the world.

Catholic women religious are treated in Guest House in Lake Orion, Michigan. The facility in Rochester, Minnesota has treatment programs for priests, deacons, brothers and seminarians. An important part of the treatment is the beautiful environment of our facilities. Residents respond to the quiet serenity of the surroundings to help in their recovery not only physically and emotionally, but spiritually as well.

Surveys are conducted regularly to determine how our graduates are doing. The 1997 survey shows that after a year and a half, over 90% report they are doing well and abstaining from all drugs and alcohol.

Generous donors have established an endowment fund to provide financial assistance for any diocese or religious community needing assistance with the costs of treatment. Treatment is provided without regard to financial consideration.

The facilities are accredited by JCAHO (Joint Commission on Accreditation of Healthcare Organizations) and licensed by the Department of Public Health in the states of Michigan and Minnesota respectively.

Guest House also offers educational programs, seminars, and workshops on addition-related topics.

See our full page display ad on the next page

The most important treatment happens after the staff goes home.

Since 1956, Guest House has returned more than 5,000 priests, brothers, deacons and seminarians to active ministry after their bouts with alcoholism were treated in one of our facilities. We are often asked what makes our treatment so unique. We believe that God has empowered us to provide the right environment for this special population of God's servants to regain their wholeness, their health, and their vocations.

We do have an excellent staff, and the world renowned Mayo Clinic provides the medical services to our clients.

But our guests sometimes say that the most important treatment at Guest House happens after the staff goes home - in conversations on the porch or on walks around the campus or talks in the dining room or around the AA tables.

There is something special about this group of men, alike in the uniqueness of their vocations, who come together to begin the recovery process at Guest House. That's why we are here when the need for help arises. That's why we were founded 43 years ago.

OMNISTAND™ with SMARTLITE™ "one touch" technology offers a simple solution to institutions, churches, and mausoleums whose votive stand and candle assemblies pose problems due to dangerous flames, polluting smoke, and wax spillage.

SMARTLITE S™ "one touch" technology creates a simple way to light votive candles. Lightly press the top and it s lit, with the most realistic electronic flame ever!

The SMARTLITE™ candles represent a safe and clean way to experience the pleasure and ambiance of lit candles without worrying about the danger of flames, the mess that melted wax leaves or pollution and unsightly smoke. The simulated wick radiates a realistic glow of light equivalent to that of flames generated by lit wax candles and oil burning kerosene lanterns. The imitation crystal cover is available in a wide array of colors.

Our patented OMNISTAND™ design hides all switches and wires so there is no visible sign of electricity. The electronic circuitry is state of the art. Snap-in and snap-out circuit boards for each light makes SMARTLITE™ extremely easy to service.

The OMNISTAND™ is a modular system, constructed of real wood, imitation marble, laminated aluminum or painted aluminum extrusions designed to work in a wide variety of applications.

Don't put your faith in other Votive stands. Let GYGNUS, INC. make you into a true believer! See our advertisement on the Index of Display Advertisers Section Divider.

Type of Business:
OMNISTAND™ with SMARTLITE™ "one touch" technology offers a simple solution to institutions, churches, and mausoleums whose votive stand and candle assemblies pose problems due to dangerous flames, polluting smoke, and wax spillage.
SMARTLITE S™ "one touch" technology creates a simple way to light votive candles. Lightly press the top and it s lit, with the most realistic electronic flame ever!
The SMARTLITE™ candles represent a safe and clean way to experience the pleasure and ambiance of lit candles without worrying about the danger of flames, the mess that melted wax leaves or pollution and unsightly smoke. The simulated wick radiates a realistic glow of light equivalent to that of flames generated by lit wax candles and oil burning kerosene lanterns. The imitation crystal cover is available in a wide array of colors.
Our patented OMNISTAND™ design hides all switches and wires so there is no visible sign of electricity. The electronic circuitry is state of the art. Snap-in and snap-out circuit boards for each light makes SMARTLITE™ extremely easy to service.
The OMNISTAND™ is a modular system, constructed of real wood, imitation marble, laminated aluminum or painted aluminum extrusions designed to work in a wide variety of applications.

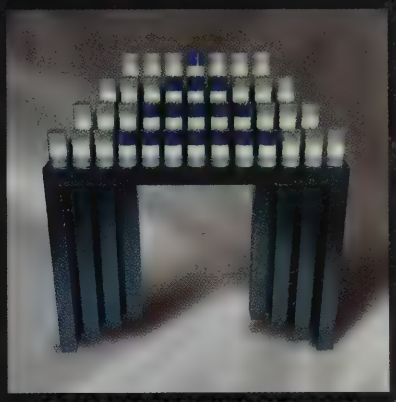
OMNISTAND™

WITH SMARTLITE™ "ONE TOUCH" TECHNOLOGY

Adaptable Votive Stand and Shelf System

OMNISTAND™ with SMARTLITE™ *"one touch"* technology offers a simple solution to institutions, churches, and mausoleums whose votive stand and candle assemblies pose problems due to dangerous flames, polluting smoke, and wax spillage.



SMARTLITE'S™ *"one touch"* technology creates a simple way to light votive candles. Lightly press the top and it's lit, with the most realistic electronic flame ever!

The SMARTLITE™ candles represent a safe and clean way to experience the pleasure and ambiance of lit candles without worrying about the danger of flames, the mess that melted wax leaves behind or pollution and unsightly smoke. The simulated wick radiates a realistic glow of light equivalent to that of flames generated by lit wax candles and oil burning kerosene lanterns. The imitation crystal cover is available in a wide array of colors.

Our patented OMNISTAND™ design hides all switches and wires so there is no visible sign of electricity. The electronic circuitry is state of the art. Snap-in and snap-out circuit boards for each light makes SMARTLITE™ extremely easy to service.

The OMNISTAND™ is a modular system, constructed of real wood, imitation marble, laminated aluminum or painted aluminum extrusions designed to work in a wide variety of applications.

CCS

CCS has designed successful campaigns and feasibility/planning studies for leading Catholic institutions worldwide for more than 50 years.

CCS has successfully planned and managed well over 5,000 fund-raising campaigns since our founding in 1947.

We have raised more than $5,000,000,000 for Catholic causes during our history. CCS arch/diocesan campaigns have reached record-breaking levels of success.

CCS is the most widely recommended fund-raising firm to Catholic institutions worldwide.
